## IBM Account Dashboard

The screenshot displays the IBM Cloud Account Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and a user profile 'VAKATI HARSHITHA's ...'. The main content area is titled 'Dashboard' and features a 'For you' section with six recommended actions, each with a 'Getting started' button and a time estimate. Below this, there are four sections: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The 'News' section lists several updates, including 'Introducing Badges to IBM Cloud Certification' and 'Announcing IBM SevOne Network Performance Management Version 6.4'. The 'Recent support cases' section shows a list of cases. The 'Planned maintenance' section is currently empty. The 'IBM Cloud status' section displays a world map with status indicators for different regions. The bottom of the screen shows a Windows taskbar with the search bar, task view button, and several application icons, along with a system tray showing the date and time as 09:07 AM on 19-11-2022.
